

## TC32UP Charging Cabinet

The TC32UP is the ideal solution for classrooms or schools with limited space. You can charge mix and match iPads and Android devices at one time. What's more, the TC32UP allows you to simply add, remove or modify apps, files and user profiles on all connected devices simultaneously using its sync function. Devices are safe and secure thanks to the steel doors and three-point lock.

### Safe Charge & Security

Charge up to 32 laptops with full 2.1A DC charging power provided to each connected device. The TC32UP can also quickly sync devices simultaneously, saving you the hassle of managing files, apps and user profiles individually.

### Hassle-Free Design for Use

TC32UP's high power ports are installed in at front for easy plugging, making devices charging as simple as plug and go. Three slide-out shelves allow for easy storage and removal of devices, making accessing devices supremely user-friendly.

### Real-Time Status Check-Up

The TC32UP's status indicator uses colored LED lights so teachers and students can see the status of each device with just one glance, whether it is charging, fully charged or syncing, even with door locked.

### Secure Your Investment

Your devices will be safely secured within the TC32UP's sturdy frame and steel doors, outfitted with a three-point locking mechanism. This extra-tough design effectively protects against any threats of theft or vandalism..

### Utilization & Mobility Design

The TC32UP is designed to maximize user ease and convenience, with a compact structure that can fit in even the most space-starved classrooms. Not only does the TC32UP have a small footprint, it also offers the perfect space for integrating mobile devices, Tezag visualizers, and more into your lessons.

## Charging Cabinet

### Product Specifications

#### Device capacity

- . 32

#### Slot size

- . 560\*375\*785

#### Supported devices

- . Laptop / Chromebook / tablets up to 14"

#### Sync type

- . N / A

#### Charging type

- . Smart Cycle Charging

#### External power outlets

- . N / A

#### LED indicator

- . N / A

#### Sliding shelves

- . N / A

#### Divider type

- . Metal bar

#### Warranty

- . 01-year: mechanical components

#### Security

- . Front and rear doors:
- . 2-point mechanism with keys

#### Cart dimensions

- . H = 103.9 cm (40.91")
- . W = 64.0 cm (25.18")
- . D = 63.2 cm (24.88")

#### Package dimensions

- . H = 122.0 cm (48.03")
- . W = 74.5 cm (29.33")
- . D = 74.4 cm (29.29")

#### Net weight

- . 52 kg (114.64 lbs)

#### Gross weight

- . 73 kg (116.84 lbs)

#### Power specification

- . AC in: 220-240V ~ 50/60Hz, 8A
- . PWR strip: 32-port total, 220-240V ~ 50/60Hz, 8A

#### Cable management

- . Individual AC adapter compartments and secure
- . cable channel by cable clip

#### Casters

- . 5" casters
- . (4 x 360 degree, 2 x lockable in rear, 2 x directional in front)
