

## TC16U

### Charging Cabinet

The TC16U is the ideal solution for classrooms or schools with limited space. You can charge mix and match iPads and Android devices at one time. What's more, the TC16U allows you to simply add, remove or modify apps, files and user profiles on all connected devices simultaneously using its sync function. Devices are safe and secure thanks to the steel doors and three-point lock.

#### Safe Charge at Once

Charge up to 16 iPads, iPad minis or Android devices in no time with full 3.0A DC charging power provided to each connected device. The TC16U can saving you the hassle of managing files, apps and user profiles individually.

#### Hassle-Free Design for Use

TC16U's USB ports are installed in at front for easy plugging, making devices charging as simple as plug and go. Three slide-out shelves allow for easy storage and removal of devices, making accessing devices supremely user-friendly.

#### Real-Time Status Check-Up

The TC16U's status indicator uses colored LED lights so teachers and students can see the status of each device with just one glance, whether it is charging, fully charged or syncing, even with door locked.

#### Secure Your Investment

Your devices will be safely secured within the TC16U's sturdy frame and steel doors, outfitted with a three-point locking mechanism. This extra-tough design effectively protects against any threats of theft or vandalism..

#### Utilization & Mobility Design

The TC16U is designed to maximize user ease and convenience, with a compact structure that can fit in even the most space-starved classrooms. Not only does the TC16U have a small footprint, it also offers the perfect space for integrating mobile devices, Tezag visualizers, and more into your lessons.

## Charging Cabinet

### Product Specifications

#### Device capacity

- . 16

#### Slot size

- . 25\*350\*235

#### Supported devices

- . Laptop / Chromebook / tablets up to 14"

#### Sync type

- . N / A

#### Charging type

- . Smart Cycle Charging

#### External power outlets

- . N / A

#### LED indicator

- . N / A

#### Sliding shelves

- . N / A

#### Divider type

- . Metal bar

#### Warranty

- . 01-year: mechanical components

#### Security

- . Front and rear doors:
- . 2-point mechanism with keys

#### Cart dimensions

- . H = 384 mm
- . W = 375 mm
- . D = 550 mm

#### Net weight

- . N/A

#### Gross weight

- . N/A

#### Power specification

- . AC in: 220-250V ~ 50/60Hz,
- . Max Current: 16 A

#### Cable management

- . Individual AC adapter compartments and secure

- . cable channel by cable clip

#### Output :

- . USB Output: Type-C 18W 5V 3A; 9V 2A; 12V 1.5A

#### Product power: 3500W

#### Cable management

- . Individual AC adapter compartments and secure

- . cable channel by cable clip

Output :Recharge: 5V 3.0A, Quick recharge: 20W
