

TC32U Charging Cabinet

The TC32U is the ideal solution for classrooms or schools with limited space. You can charge mix and match iPads and Android devices at one time. What's more, the TC32U allows you to simply add, remove or modify apps, files and user profiles on all connected devices simultaneously using its sync function. Devices are safe and secure thanks to the steel doors and three-point lock.

Safe Charge at Once

Charge up to 32 iPads, iPad minis or Android devices in no time with full 3.0A DC charging power provided to each connected device. The TC32U can saving you the hassle of managing files, apps and user profiles individually.

Hassle-Free Design for Use

TC32U's USB ports are installed in at front for easy plugging, making devices charging as simple as plug and go. Three slide-out shelves allow for easy storage and removal of devices, making accessing devices supremely user-friendly.

Real-Time Status Check-Up

The TC32U's status indicator uses colored LED lights so teachers and students can see the status of each device with just one glance, whether it is charging, fully charged or syncing, even with door locked.

Secure Your Investment

Your devices will be safely secured within the TC32U's sturdy frame and steel doors, outfitted with a three-point locking mechanism. This extra-tough design effectively protects against any threats of theft or vandalism..

Utilization & Mobility Design

The TC32U is designed to maximize user ease and convenience, with a compact structure that can fit in even the most space-starved classrooms. Not only does the TC32U have a small footprint, it also offers the perfect space for integrating mobile devices, Tezag visualizers, and more into your lessons.

Charging Cabinet

Product Specifications

Device capacity

- 32

Slot size

- 25*350*235

Supported devices

- Laptop / Chromebook / tablets up to 14"

Sync type

- N / A

Charging type

- Smart Cycle Charging

External power outlets

- N / A

LED indicator

- N / A

Sliding shelves

- N / A

Divider type

- Metal bar

Warranty

- 01-year: mechanical components

Security

- Front and rear doors:
- 2-point mechanism with keys

Cart dimensions

- H = 785 mm
- W = 375 mm
- D = 560 mm

Net weight

- 35 kg

Gross weight

- 38 kg

Power specification

- AC in: 220-250V ~ 50/60Hz,
- Max Current: 16 A

Cable management

- Individual AC adapter compartments and secure
- cable channel by cable clip

Output :

- USB Output: Type-C 18W 5V 3A; 9V 2A; 12V 1.5A

Product power: 3500W

Casters

- 5" casters
- (4 x 360 degree, 2 x lockable in rear, 2 x directional in front)

Working Temperature: 0°C~45°C
The door key x 2

External USB charging port x 1
